Suffolk

The warm feeling fund

Warm Homes Suffolk is reducing the energy bills of homes across the county

You may be eligible for help if your home has an EPC rating of D, E, F or G

Warm Homes Suffolk is reducing the energy bills of homes across the county, by fitting homes with insulation and other energy efficient measures such as air source heat pumps and solar panels.

It's our goal to help you by making your property warmer, we'll also help you to reduce your energy bills, so you'll enjoy a cheaper, warmer, healthier home.

How to begin

Starting is easy, just get in touch today, and we'll be able to tell you how you can benefit from the latest round of funding to improve the warmth and running costs of your home.
