The warm feeling fund

Warm Homes Suffolk is reducing the energy bills of homes across the county

It's our goal to help you reduce your fuel bills and enjoy a more comfortable home too.

You may be eligible for help if your home has an EPC rating of D, E, F or G.

You also need to **meet one** of the below eligibility routes:

- Your gross household income is under £36,000.
- You have been advised or checked your home is within a pre-eligible postcode.
- You or someone in your household (other than a lodger or adult in full time education) is in receipt of a means-tested benefit (e.g. Universal Credit, Pension Credit, Housing Benefit, Income Support, Income-based Jobseeker's Allowance, Income-related Employment and Support Allowance).
- You have a health condition which is affected by living in a cold home, which is either cardiovascular, respiratory, immunosuppressed, or limited mobility related.

How to begin

Starting is easy, just get in touch today, and we'll be able to tell you how you can benefit from the latest round of funding to improve the warmth and running costs of your home.
