

Suffolk and North East Essex Community and School Age Immunisation Service

10/04/26

**Information for Housebound Patients for the Spring Covid Booster
13/4/26 until 30/06/26.**

If you are eligible for this year's Spring Covid Booster, then your GP has asked the Suffolk and North East Essex team to deliver the vaccine for them.

The housebound visits to eligible people will begin in May and continue until 30th June.

There is no need to call the team to book a visit, as your GP will have told the Team who needs a housebound visit.

Before the visit, you will receive a telephone call from the Team, who will check that you wish to have the vaccination and that you still need a visit along with any special arrangements, like a key code.

Before the Team visit, you will receive a text the day before, to the telephone number on your GP records, to let you know when the team will be visiting.

The team offer home visits between 08.30 until 3.30.

The team cannot offer a time, as they have several visits in any day.

If you wish to cancel a visit, then you can call 0300 555 5055 Suffolk and North East Essex Option 3 or email hct.covidrefsnee@nhs.net
